

Bail-Out Bucks Business Cards

Actual Size - 6.625 x 2.5

Bail-Out Bucks are a unique way of drawing attention to your company and/or advertisement. Bail-Out Bucks will be remembered and shown to other people. You will want to give more than one to an individual so they can hand out your business cards to others. One of the pluses is that they will stay nice and crisp in your wallet and when they get a little worn it adds to their character. They are printed in full color on parchment paper giving them a great look and feel.

Done to the People

435 congressmen, 1 president, 100 senators, and 9 Supreme Court justices – 545 human beings out of our population of 300 million plus are directly responsible for the problems that plague this country.

Those 545 try to convince you that what they did is not their fault. They ALL are complicit in this con regardless of their party.

Those 545 people and they alone, are responsible. They and they alone, have the power.

These 545 should be held accountable by the people who are their bosses. Provided YOU care enough to manage YOUR employees. Do YOU care enough to regain control of YOUR children and grandchildren's future?

No mater who you are, you are going to pay, one way or another for what they have done. The only question left to us is: **Are YOU going to vote all of them out of office and clean up their mess!**

Order Bail-Out Bucks: www.imagine5graphics.com, 100 = \$15.95 – 250 = \$32.95 • Personalized Bucks available.
